

## Crash Course

This programme has been designed keeping in mind the requirements of the students who need quick brush-up classes' along with a regular evaluation of their preparation in each of the three subjects. Hence, the daily schedule of teaching has been so designed, that apart from 6 hours of class-room teaching, an objective test of 30 minutes duration will be held on alternate day. This continuous evaluation will not only help to enhance the confidence of students but will also give them an insight of their weak and strong areas, hence, giving them a chance to upgrade themselves for a successful result.

Last but not the least, is the fact that our most experienced and high profile professionals as Core Faculty will teach all important aspects of various topics so as to give maximum benefit to aspirants in such a short span of time. Their teachings will include all vital tips that are needed to Crack AIEEE & UPSEE.
