

- **One Year Apex Program**

The course keeps pace with the XII class syllabus and along with the preparation for IIT-JEE/PMT, guides the student for the XII syllabus as well. Adequate study material is provided to the students. They are also subjected to Test Series based on very similar questions of IIT-JEE/PMT. Doubt clearing sessions, which are conducted regularly; help the students to eliminate their problems with the help of an experienced faculty. The rigorous preparation prepares the student for other state level engineering examinations also.
